Newcomers welcome! — We hope you felt at home here with us. Please be sure to sign the sign-in sheet in the lobby. If you'd like more information about the WUU, please visit our homepage or Facebook group, given below.

Getting Involved — Various committees have been formed in the last few months and still more participation is needed by members and friends alike. Everyone is welcome and encouraged to attend!

Visioning — Our congregation has grown in just three years from a seed idea planted by John Keating and Elizabeth Malone to a small sustaining congregation of committed members and friends. We have an organically formed Steering Committee.

We would now like to endeavor on a visioning process to determine who we are now, who we want to be and how we can get there. We will kick off this visioning process with a short congregational meeting following Sunday's service. We invite and encourage everyone to attend.

Strictly Fun Fourth Sundays (or Saturdays) — Have an idea? Just suggest it (even spontaneously), and see who comes!

We welcome your contributions no matter the size or form. Anyone with ideas for events, please do share them in person, on Facebook or via email!
