Love is the doctrine of this church.
The quest for truth is its sacrament.
And service is its prayer.

Chalice Lighting

Every person has wisdom to share.
When we are working together across lines of difference
When we listen with appreciation
Wisdom finds its way into our hearts.
We light this chalice for the values and hopes we share with one another,
and with our neighbors.

Benediction

My fellow travelers, we are one.
The thoughts we share make us one.
The joys we celebrate make us one.
Even as our dearest sisters and brothers
come and go from us, we are one.
Even as we scatter from this place
to so many diverse pursuits
throughout this country, this continent, this globe,
we are one.
With gratitude we share this time together.
With gratitude we depart.
With gratitude we release one another,
trusting in the wisdom
which makes us one.
Go in peace.

Extinguishing the Chalice

In unison:

We extinguish this flame but not the light of truth, the warmth of community,
or the fire of commitment. These we carry in our hearts until we are together
again.

—Elizabeth Selle Jones
